TO WHOM IT MAY CONCERN:

It has been my privilege to know Mr. Neal Harris, proprietor of Harris's Happy Hunter Hideaway, for many years. I have evaluated his food service operation, and I am satisfied that it meets all *halachic* demands. All meats are *Glatt*, dairy is *cholorv stam* and most baked goods are *pat palter*, with the remainder being *pas Yisroel*.

I personally know Mr. Harris to be a Torah observant Jew. I am fully confident that he will provide *halachically* acceptable *Kashruth* at all times to all clientele.

Sincerely,

Rabbi Dr. Moshe E. Bomzer
